The screenshot shows a code editor interface with a dark theme. On the left is the Explorer sidebar, which lists a project structure under 'PORTOFOLIO': 'css' and '# style.css'. Below it is the file list: 'index.html' (selected), 'style.css', and 'index.html'. The main area displays the content of 'index.html' with line numbers from 1 to 29. The code includes a DOCTYPE declaration, meta tags for charset and viewport, a title, a link to 'style.css', and a navigation menu with links to Home, Mentorship, Portfolio, Snippet, and Blog.
